To Whom It May Concern:

It is with great pleasure that I recommend Vanessa Salazar as a perfect candidate for your position. I have had the privilege of working with her for over 3 years starting from 2016-2019. Within those years, Vanessa has displayed an excellent job in her skills which include using Skyward and PEIMS Verified student information. She serviced parents by answering calls and interpreting and explaining forms and documents to students, parents and guardians and distributing them as well. One of her most valuable skills was assisting us counselors with schedules by adding and removing classes and adjusting them to fit students' needs and collaborated with us on schedules deadlines, guidelines, credits. She also mastered those responsibilities and duties to a superb status considering the high stress level with teacher and administrator demands. The best strength is that Mrs. Salazar is a very positive person who helps anyone in need.

Mrs. Salazar is a hard-working, reliable, ambitious and motivated person. She would be an outstanding asset to represent the position she seeks, and I highly recommend her. I am beyond proud of the dedication she has given Tiger land for being not only the best employee she can but also an inspiration to others. Do not hesitate to contact me with any questions about her.

Sincerely,

Dalia Martinez, Lead Counselor
